I had a great experience working with Brent. He took me through the whole process and was always there to answer my questions and discuss any concerns I had. He's attentive and always follows up with you immediately. You can tell he really cares about helping his clients. My credit score is already back in the 700s, thank you Brent!

This makes me so happy. There is so much misinformation and stigma with the word bankruptcy and this is proof that you can recover, albeit challenging. Thank you for sharing this.
